**Chairman Davis Statement on Passage of D.C. Council
Resolution Endorsing a D.C. Vote in the House**

Washington, D.C. – Chairman Tom Davis (R-VA) issued the following statement today following the approval of the D.C. Council of a Resolution supporting Chairman Davis's efforts to expand voting rights by giving the District's representative a vote in the House of Representatives:

"I am pleased that an overwhelming majority of the D.C. Council supported the resolution today endorsing a proposal to give the District's representative a vote in the House of Representatives through an act of Congress. I continue to believe that the type of legislation described by the Council's resolution can be supported by people of good will on all sides of this issue. Having the strong support of city leaders will be crucial to our ultimate success."
